1. PURPOSE OF THE dublinbikes SERVICE

1.1 dublinbikes is a public service ("The Service") offered by the City of Dublin ("the City") and operated under concession by JCDecaux Ireland Ltd ("The Provider") to provide access to self-service hire bicycles ("the bike(s)").

2. STRUCTURE OF THE dublinbikes SERVICE

2.1 The Service consists of a network of stations ("the station(s)") each comprising a central terminal ("the terminal") and attachment stands ("the stand(s)") for the bikes providing the Service. Please note that it cannot be guaranteed that at any given time a particular station will have either bikes or vacant stands available.

2.2 For short term subscribers to The Service, a credit card enabled terminal allows them to buy a 3 Day Ticket for use of The Service by means of an automated electronic payment screen and keypad.

All terminals enable a subscriber to:
- select a bike and to obtain an extra 15 minutes of free use if on returning the bike, the station is fully occupied.
- consult the occupancy status of nearby stations.
- obtain information about The Service.

For annual subscribers to The Service, a terminal also allows them to:
- log in and select a bike using a screen, a keypad and a smart card reader.
- access their recent rental charges account information.

2.3 Each stand accommodates one bike and is numbered for the purposes of identifying and selecting a bike.

3. AVAILABILITY OF THE dublinbikes SERVICE

3.1 In order to access The Service, the subscriber must be in possession of a 3 Day Ticket, an Annual Card or an associated smart card (e.g. Leap Card). The pricing structure is set out in Clause 6.

3.2 The 3 Day Ticket is valid for a maximum of three consecutive days, running from the moment the operation is accepted by the bank of the credit card holder.

3.3 The Annual Card is valid for a period of one year and is renewed automatically unless cancelled. Not to Renew (NTR) requests are only accepted in writing or via the website dublinbikes.ie prior to the renewal date.

4. HOW TO ACCESS THE SERVICE

4.1 MEANS OF ACCESS

4.1.1 HOW TO SUBSCRIBE TO A dublinbikes 3 DAY TICKET

(1) To purchase a 3 Day Ticket, the customer chooses the "Subscribe" option on a credit card enabled terminal then selects "3 Day Ticket";

(2) The customer reads and confirms the transaction details;

(3) A prompt on the terminal screen asks the customer to read and accept the Terms & Conditions of The Service by pressing "V" or "OK" on the keypad. If the Terms & Conditions are not accepted, the customer cannot complete the transaction;

(4) The customer inserts a credit card into the card reader and keys in the corresponding PIN, thereby giving The Provider (after authorisation from the credit card provider), a preauthorisation debit amount of €150 for a maximum duration of 30 days. After the expiry of the 3 Day Ticket subscription period, the cost of the subscription for the 3 Day Ticket and any rental charges incurred are debited.

Please note that Visa or MasterCard credit cards are accepted, however prepaid credit cards, debit cards and cash do not meet the payment criteria of The Provider and should not be used. The Provider is not responsible for any consequences, financial or otherwise, which may arise from the use of payment methods which do not meet the payment criteria of The Provider.

(5) The customer creates a four digit PIN Code ("the dublinbikes PIN Code") which is strictly personal and confidential and can be re-used throughout the entire period of validity of the dublinbikes subscription.

(6) A 3 Day Ticket is issued showing the date and time of the transaction, the amount pre-authorised for debit, the expiry date of the subscription and the subscriber number. This service is only available at stations with credit card terminals. Not all stations have credit card terminals. A full list of stations and the availability of credit card terminals can be found on the dublinbikes website.

4.2 HOW TO SUBSCRIBE TO A dublinbikes ANNUAL CARD

(1) To subscribe to an Annual Card, a customer must visit the dublinbikes website. There are two methods of payment available.

(2) An application form can be completed online with the customer’s credit card or debit card details for payment of the subscription, any applicable rental charges (debited monthly) and pre-authorisation for a flat rate penalty fee of €150, should the bike not be returned within 24 hours. The credit card used to subscribe must be valid for at least a further 30 days from the date of subscription.

(3) Alternatively, an application form can be completed online and the customer can elect to pay by direct debit. The customer will need to print the debit authorisation form. This form, along with proof of address and parental authorisation for customer(s) below 18 years (but over 14 years) must be posted to the dublinbikes postal address listed above.

During the subscription process, the customer will be prompted to choose the type of card they wish to associate with their new dublinbikes account. If a dublinbikes Annual Card is chosen, a new valid card will be issued after confirmation of the registration and authorisation of the direct debit or the successful completion of the online credit card subscription process.

If an alternative card is chosen (e.g. Leap Card) during the subscription process, an email will be sent detailing how the customer can complete the card association process at any dublinbikes terminal. All other details will remain the same. This associated card will become the user’s Annual Card.

The dublinbikes Annual Card must be activated at a terminal within 60 days of issue. The temporary code issued on subscribing only lasts for two weeks. A fee of €5 is chargeable for the re-issue of a card.

(5) The subscription is valid for one year. The subscription renews automatically each year unless cancelled by the Subscriber. Please note that provision of incomplete addresses may result in extra administration and delivery charges.

(6) The rental charge corresponding to the use made of The Service is debited at the end of each month whether the subscriber has subscribed in the capacity of legal guardian to a child) to a minor as a result of using The Service.

(7) Customers are required to enter their contact details accurately when registering and to keep these and their bank details up to date at all times via the dublinbikes website at www.dublinbikes.ie. Failure to do so can result in additional charges.

4.2 HIRING A BIKE

4.2.1 HIRING A BIKE FOR HOLDERS OF A dublinbikes 3 DAY TICKET

(1) The subscriber enters their subscriber number (shown on the dublinbikes 3 Day Ticket) on the terminal keypad.
The subscriber enters their dublinbikes PIN on the terminal keypad. A prompt asks the subscriber to choose the bike they wish to use by means of the stand number to which the bike is attached.

The subscriber has 60 seconds in which to press the button on the chosen bike stand and a further five seconds to remove the bike. Two beeps are emitted and the green light extinguishes or flashes when the lock is released. After 60 seconds, the bike stand locks again automatically and the subscriber must repeat the process.

4.2.2 HIRING A BIKE FOR HOLDERS OF A dublinbikes ANNUAL CARD
The subscriber swaps their Annual Card over the dublinbikes card reader on the terminal and follows the process outlined in 4.2.1.

4.3 TO RETURN A BIKE
(1) The subscriber must correctly attach the bike to a vacant bike stand. Two beeps are emitted and the light on the bike stand goes green, confirming that the bike has been replaced properly and the Period of Use has been terminated. Failure to correctly follow this process will mean that the bike return operation will not be registered by The Service. To ensure that the bike is correctly in position, the subscriber must check that the light on the stand is showing continuous green and not flashing or displaying any other colour. In the event of any issues with returning a bike correctly, the subscriber should try an alternate stand. If this is unsuccessful, the subscriber must contact the dublinbikes call centre on 1850 777 070.

(2) If the station chosen does not have an available bike stand, the subscriber can obtain additional time credit of 15 minutes by swiping their Annual Card over the dublinbikes card reader and entering the PIN code. 3 Day Ticket subscribers can obtain the additional time credit of 15 minutes by entering their subscriber number on the keypad, followed by their PIN code. The terminal will then give the subscriber information about the nearest station(s) with available stands.

(3) Subscribers can confirm if a bike is still out on their account by logging onto a terminal as described in 4.3 (2) above. Printed receipts confirming the return of a bike are available from credit card enabled terminals within 15 minutes of a successful bike return.

4.4 SUBSEQUENT USE
(1) After returning a bike to a station, The Service can be used again after a five minute interval.

(2) The bike hire and return procedures are then identical to those set out in 4.2 and 4.3 respectively.

5. dublinbikes SERVICE SUBSCRIBERS
5.1 dublinbikes Annual Card and 3 Day Tickets and their associated PIN Codes are strictly personal and entitle only the subscriber to hire, use and return a bike under the Terms & Conditions set out in this document.

5.2 The Service is accessible, subject to the provisions of 4.1 above and Clauses 8 and 9 below, to holders of the following cards:
(a) a standard credit/debit card issued by a bank in an establishment affiliated to the Visa or MasterCard network, with a microchip that meets EMV standards;
(b) dublinbikes tickets, associated smart card (e.g. Leap Card) or cards issued by The Provider.

6. COST AND MEANS OF PAYMENT

6.1 TICKETS
(1) The cost of the 3 Day Ticket is displayed on the website and is debited in addition to any rental charges incurred as set out in Clause 6.2.
(2) The cost of holding an Annual Card is displayed on the website and is debited in addition to the cost of any rental charges incurred as set out in Clause 6.2.
(3) For 3 Day Tickets, payment of the amount due by the subscriber is made after the expiry of the maximum validity period, by charging the credit card used to take out the subscription, under the conditions set out in Clause 4. The total amount due, including the subscription charge and any rental charges incurred over the validity period, will be debited in a single operation in the five working days following the expiry of the subscription.
(4) For Annual Cards, payment of the amount due by the subscriber is made by either credit/debit card or direct debit. In the case of credit/debit cards, the subscription charge is debited at the time of subscription. Direct debit subscribers will have their subscription debited after the subscription is confirmed. Rental charges incurred will be debited at the end of each month, either from the subscriber credit/debit card or by direct debit. When subscribers update their credit/debit card details, their card provider may apply a preauthorisation fee, usually €2, in order to validate the card. This is a preauthorisation which is released within a few days and is not a charge. Failure to update credit/debit card details in good time may result in a temporary loss of service. In order to access The Service, the Subscriber must maintain a method of payment at all times, which meets The Provider’s requirements including Visa Verify or MasterCard Secure Code where appropriate.

Any breach of these Terms & Conditions can result in suspension of the account. Any dublinbikes 3 Day Ticket that is lost or rendered impossible to use shall not be refunded. 9.4 In the event of the disappearance of a bike for which he or she is liable, subscribers are obliged to inform The Provider of this disappearance on 1850 777 070 immediately, but in any event within 24 hours of the initial hiring of the bike and to register the theft with An Garda Síochána within 24 hours. The subscriber is fully and solely responsible for ensuring that the Provider is supplied with a copy of the Garda report.

9.5 In the event of an accident and/or incident involving the bike, the subscriber is under obligation (see Clause 7.6) to inform The Provider of the facts within the period stipulated above, on the telephone number quoted above. The subscriber remains liable for the bike until such time as it is locked in a stand or handed over in person to a representative of The Provider.

- that the frame and the tyres are in good condition and the tyres are adequately inflated;
- that the anti-theft lock is correctly positioned in its coil in the basket and the key is in place.

10.1 At the start of each period of validity the subscriber authorises The Provider to request the debit of a maximum flat rate amount of €150 to be used in the event of damage, fraudulently used and/or disappearance of the bike for which the subscriber is liable.

10.2 If it is found that the subscriber has failed to abide by their obligations under these Terms & Conditions, the corresponding penalties (see Clause 10.3) are payable on The Provider’s first request.

10.3 The nature and/or amount of the penalties payable to The Provider by the subscriber in the event of a contractual failing on the part of the subscriber are as follows:

- (1) disappearance of the bike in contravention of Clause 7.4: €150;
- (2) repair or damage to the bike attributable to the subscriber: penalty according to the degree of damage to a maximum of €150;

- (4) penalties may be charged for the recovery of bikes: €30;

Subscribers must check that the key is present before use, as charges will apply if used without the key. Bikes must be locked securely to a fixed object. In the interest of The Service and at The Provider’s sole discretion, unattended bikes whether locked or not, may be recovered at any time, restricting the Subscribers access to The Service for a period and charges may apply.
